Michael Student Center Marty Theater

- I. Call to Order
- II. Announcements
  - Please ensure you sign the attendance sheet.
  - Former Senate President Brian Huggins was thanked for his guidance, leadership, and stewardship over the last two years.
  - Please inform the Senate President when you move from the old Outlook email system to the new FS Mail system. This will allow Senate Exec. to update its distribution lists so all senate members will receive distributed documents.
  - Currently, we are having difficulties getting the FS Mail system to send large “group” emails to the Senate.
  - Senate website is in transition. We expect the migration from Lydia to the Cloud to be complete on Monday, September 24<sup>th</sup>.
  - President O’Brien apologized to the Senate for the distribution of Faculty Profiles. The profiles were compiled from public sources (department websites) and were distributed in the spirit of collegiality in the hopes that it would allow senate members to become better acquainted with one another. If any Senator wishes to make changes, he will be happy to do so.
  - President O’Brien requests that members of the senate please announce their names and department affiliation when addressing the Senate. This will allow us to create a more accurate set of minutes.
  - President O’Brien respectfully requests that all Standing Committees of the Senate present a preview and/or review of their committee work annually.
- III. Approval of Minutes
  - Eighth Regular University Senate Meeting , May 2, 2012
    - Corrections to minutes: “nvite” changed to “invite” and a duplicate “and” to be removed
