# WHO IS OLLI?

The Osher Lifelong Learning Institute (OLLI) is an organization at Bradley University whose members share a common goal: to remain vital and active in their late career and post-career lives. Consisting of over 850 individuals from age 50 to 98, OLLI members come from all backgrounds and educational levels. Together they enjoy participating in a diverse collection of programs including non-credit classes, educational travel, study groups, and special events.

These programs, offered throughout the year, originate in committees of OLLI volunteers who solicit ideas from the membership. This grassroots approach ensures that OLLI programs represent a wide array of topics and member interests.

Leading most OLLI programs are volunteers who are invited, by the membership, to teach a class or facilitate a study group. These presenters come from the community, the University, and from within the OLLI membership. OLLI members also teach Classes, facilitate Study Groups, and serve as guides on Learning Trips.

Bradley University Continuing Education sponsors the OLLI program. Staff provide leadership and program oversight and facilitate the use of University resources.

Lifelong learning programs at Bradley began in 1994 with the Institute for Learning in Retirement (ILR). In 2008, the Bernard Osher Foundation awarded Bradley a grant that established the Osher Lifelong Learning Institute - OLLI at Bradley University.

A subsequent gift from the Foundation endowed OLLI thus ensuring its long term viability while recognizing it as a program of national distinction. OLLI at Bradley University is an affiliate of the Elderhostel Institute Network and The Bernard Osher Foundation.

## SAVE THE DATE

### Hidden Treasures of the Maritimes, Nova Scotia May 24 - June 2, 2012

The Titanic is well known to all as the catastrophe that claimed 1,517 lives. In the 100th anniversary year of the disaster, we'll travel to Halifax, the resting place for the Titanic's unclaimed victims and remember those souls with a tour given by a passionate author of several books on the sinking. This will be just one of the treasures uncovered on Hidden Treasures of the Maritimes, a 10 day tour that explores Prince Edward Island, New Brunswick, and Nova Scotia. We'll visit Grand Pre National Park, interact with a local family and see how they produce organic maple syrup, learn about the lobster industry and enjoy a traditional lobster dinner, climb aboard a local fisherman's boat for a cruise of the bay, see the famed Hopewell Rocks, and explore Nova Scotia's famous Lighthouse Route.

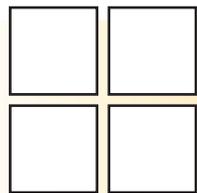

The tour fee, which has not yet been determined, will include airfare, transfers, ground transportation, admission to all sites, lodging, and most meals.

If you're interested in receiving information about this trip, please check the line on the registration page, or contact Emily Skocaj at [eskocaj@bradley.edu](mailto:eskocaj@bradley.edu), 309.677.3900.

SUMMER  
2011

Witty American novelist and editor Peter De Vries once quipped, “I was thinking that we all learn by experience, but some of us have to go to summer school.”

Unlike Mr. De Vries and his friends, we OLLI members can enjoy a “summer school” of fun-packed Learning Trips and mind-expanding Study Groups because it’s what we WANT to do. This is OLLI’s third year to offer a Summer program, thanks to our generous OLLI grant, the Continuing Education staff’s sound guidance, our tireless volunteer Chairpersons and Executive Committee, and the enthusiastic support of our almost-900 OLLI members.

You have seen our Study Group and Learning Trip Committee members actively promoting Learning Trips and Study Groups at Kick-off Luncheons and during breaks at OLLI classes. They have conducted face-to-face interviews with members to elicit your opinions and ideas.

Here are the results: Numerous local trips- a visit to Peoria Zoo for an “animal attraction” event, the Peoria Police Department and Emergency Services Center, the new Hy-Vee grocery store with all sorts of hidden surprises, Springdale Cemetery for a photography experience led by our Past-President Ray Keithley, and Parsons Company in Roanoke, to name a few. There are a number of regional trips including the Shakespeare Festival, Route 66 Raceway, Canoeing on the Sangamon River, Brewing and Bocce Ball in St. Louis, and more! Check out the Special Events, too, including a summer picnic at Wildlife Prairie Park.

If you want to learn about a topic in a more depth in a discussion-based environment with a small group of like-minded participants, pick a Study Group or two. Try one about a topic you want to know more about: (1) *The Forgotten 500* (the previously untold story of 500 American airmen who risked their lives to rescue American pilots who were shot down over Yugoslavia as they were bombing Italy during World War II. (2) The Girls of Summer (it will be a lively discussion about a time in sports history when women played the national pastime – you need not be a baseball fan to enjoy this study group.) (3) Jane Austen (reading *Sense and Sensibility* and *Pride and Prejudice* and discussing the social milieu and conventions depicted in the novels.) (4) Nonverbal Communication (becoming more aware of our own signals and those of others) (5) To learn about the dynamics of facilitating a group discussion, join Jon Neidy’s Facilitator Training Study Group.

Thank you for giving me the opportunity to serve this year. I am following in the footsteps of outstanding predecessors, and I am grateful for the opportunity to learn from them.

“This bud of love, by summer’s ripening breath, May prove a beauteous flower when next we meet” ... at OLLI. (William Shakespeare “tweaked” by Carolyn Shepherd).

## STUDY GROUPS

Study Groups are discussion-based sessions for members who want to explore a topic in depth and who are willing to help do so. In effect, each member is both a participant and a resource – all in the context of a relaxed and friendly atmosphere.

Study Groups meet on the campus of Bradley University and at several satellite locations throughout the community including Proctor Endowment Home, Lutheran Hillside Village, Riverview Senior Living Community, and the Peoria NEXT Innovation Center.

OLLI subscribes to an environment of thoughtful discussion and mutual respect which is at the heart of a university-based experience. We value our participants and those who volunteer to share their time, talent, and organizations with us. These ideals enable us to enjoy the constructive exchange of ideas and remain informed and excited as lifelong learners. We embrace these ideals as a commitment to civility and academic freedom.

### Study Group Facilitator Training

**Thursdays, June 2 and 9, 2011**

**9:00 a.m. – 4:00 p.m.**

**Location: Michel Student Center Room 3**

Have you heard about OLLI Study Groups and are interested in being a facilitator? Then this Study Group is for you. Join Jon C. Neidy for an interactive and engaging exploration of group facilitation and its dynamics. You will learn how to establish a learning community, construct a group plan, and ask well-crafted questions. You will also learn how to involve members in research projects and presentations. While designed for OLLI Study Group facilitators, the content for this Study Group is applicable also to anyone who leads groups (or wants to lead groups).

The cost is **FREE!** Lunch is on your own each day.

Facilitated by Jon C. Neidy, Associate Director, Continuing Education at Bradley University.

### Jane Austen

**Mondays, June 13 – July 11, 2011 (Skip July 4th)**

**2:30 – 4:00 p.m.**

**Location: Riverview Retirement Community**

Join us as we read and discuss two of Jane Austen's six novels in the order of their initial publication: *Sense & Sensibility* (1811), *Pride & Prejudice* (1813). We will discuss, in general, the social milieu and conventions depicted in the novels. In particular, we will examine specific scenes during our discussions. Participants should read the novels in advance and be prepared to discuss specific scenes that they found socially intriguing. These scenes could be the conventions for dancing, for introducing oneself to the opposite sex, and the various landscapes depicted. If time permits, we will view snippets from various film versions of these novels.

**\$44 – facilitated by Susan Hillabold, Illinois Central College professor.**

### Non-verbal Communication – Everyday Observations

**Mondays, June 20 – July 25, 2011 (Skip July 4th)**

**1:30 – 3:30 p.m.**

**Location: Bradley University Cullom-Davis Library**

The goal of this Study Group is to become more aware of our own non-verbal signals by observing those of others. This Study Group will equip members with basic knowledge of body language and allow them to share their observations weekly with others. From a list of recommended books, participants will borrow or purchase reference materials to use. Participants should also purchase a small notepad or notebook (something they can easily keep with them) for recording what they learn.

Participants will share what they have learned and observed.

**\$44 – facilitated by Sue Manley, Conference Services Director, in Continuing Education at Bradley University.**

### The Girls of Summer: A Look at Women in Baseball in the 1940's

Join in a lively discussion about a time in sports history when women played the national pastime. We'll talk about how and why the All-American Girls Professional Baseball League was formed, the teams that were organized to play in the league (including the Peoria Red Wings), the experiences of the players who participated, and the making of the Penny Marshall/Tom Hanks film *A League of Their Own*. Participants need not be baseball fans to enjoy this Study Group. Participants will be expected to read handouts about the league and players, watch the film, *A League of Their Own*, and discuss their reactions to the reading material and film.

**\$44 – facilitated by Carol May, Retired ICC Administrator, OLLI volunteer, and Co-Founder of the Peoria Girls Sports League.**

### The Forgotten 500 – Rescuing American Pilots During World War II

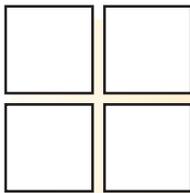

**Wednesdays, July 6 – July 27, 2011**

We shall discuss the book, *The Forgotten 500* by Gregory A. Freeman, published by NAL Caliber, 2007. It is the previously untold story of over 500 American airmen who risked their lives to rescue American pilots who were shot down over Yugoslavia as they were bombing Italy during World War II. We will have the opportunity to meet Mr. Bob Wilson, who was one of these men and who is a member of OLLI.

**\$44 – facilitated by Dick Sanders, retired Professor Emeritus of European History at Eureka College and past OLLI instructor.**
