

# Walk the Main & University Intersection

Did you know? Peoria's Main and University Street intersection is unique - not just in appearance - but in functionality too! Below is an overview of how the intersection works for pedestrians (and other non-vehicular traffic). Proper use not only keeps you safe; It ensures quick travels for everyone!

1

## SIGNAL PHASE ONE: University Street Traffic ONLY

Do not walk. All vehicle traffic has the right of way, and will not yield to you.

2

## SIGNAL PHASE TWO: Main Street Traffic ONLY

Do not walk. All vehicle traffic has the right of way, and will not yield to you.

3

## SIGNAL PHASE THREE: Pedestrian Crossings ONLY

Do Walk. All vehicles have RED lights and all right turns are prohibited. You may now cross in any direction, including diagonally across the intersection. Be alert and arrive safe.

Brought to you in cooperation with the Renaissance Park Community Association on behalf of the City of Peoria and Bradley University.
